Statement of Purpose

The sole purpose of the Inter-Valley Hospital and Institutional Committee is to carry the message of Alcoholics Anonymous to those confined in hospitals, jails, and prisons as a part of our Third Legacy. The Committee is organized under the 5th and 9th Traditions of Alcoholics Anonymous and operated under all 12 Traditions of AA in all of its affairs.

Meetings are held at the invitation of the institution administrators, ever mindful of "cooperation not affiliation." The Committee is not a thing apart, but rather an addition to the existing services of Alcoholics Anonymous.
